Salifest 2014

another successful Fest with a variety of performers, lovely food and merchandise to raise funds. All thanks to the many volunteers!

Raising funds & awareness

We have held a stall at the Heath House School Xmas Fair and they have organised a massive £1500 fundraiser for the Learning & Info Centre in Guinea!

Alanouwaly schools

We continue to organise african music and dance workshops and we facilitated performances @ schools & a church fete. Holbeach school's drumming club also performed at their International Day.

Alanouwaly Salifou Sylla Guinea

Alanouwaly UK supports Alanouwaly Guinea with fundraising and resources. This year we collected clothes, computers, electronics, chairs, mattresses, tools and bought a solar power system to run the Learning & Information centre. In addition we raised funds to buy some animals & their stables.

Stage 3 of the building, including the small hall, veranda & cellar and the annexe to the caretaker house are nearly finished to house IT, Mini cinema & sewing studio. It will also provide sufficient space for any exchange visitors.

The centre finally added it's name & logo on the extension of the caretaker house. It was painted by a professional sign-writer from Conakry. He used glow in the dark paint & you can see it from far away.

We urgently need donations to start these projects:

- IT learning and repair project
- sewing studio: to teach sewing and make clothes and other items

Building

Stage 3 of the big house: the hall ceiling is nearly finished & there are decorative folding metal doors to open up to the veranda for larger events. There are matching window guards.

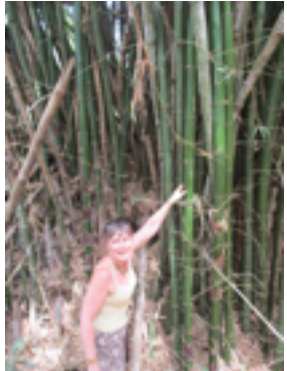

Wherever possible we promote environmental sustainability & commission local crafts people. They have created the artistic finishes.

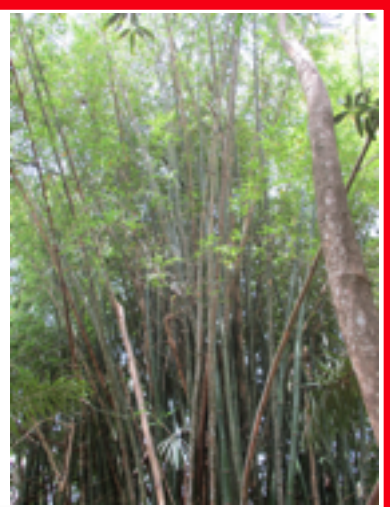

The wooden windows & doors have been put in. All are made by the local carpenter, who also made 2 lovely comfortable Hard - wood chairs.

Bamboo gate and doors, locally sourced, growing

more than 20 m high.

Alanouwaly Salifou Sylla Guinea

Alanouwaly Guinea now has a high quality 3 kW off-grid solar power system for the Learning & Information Centre.

Alanouwaly is assisting other local people & businesses with installations when required. We work with a local solar electrician.

Local tailor testing his knowledge of the electrical sewing machines donated by IKEA

Container

Alanouwaly Guinea is in the process of putting to use the contents of a container full of donations that we shipped from the UK. This included books donated to Boke library, a guitar, clothes & shoes given to around 100 families, footballs for local teams, mattresses, chairs, a bike, tools & other useful items to help the local community.

The unsuccessful well has been made into a traditional toilet, so the work is not wasted.
This will suffice until we can set up a compostable toilet project

Christmas Present for Alanouwaly Appeal

People donated money for 3 goats, 9 chicken and 2 sheep and their stables! Nell, 1 of the goats has already had 3 kids.

Alanouwaly Guinea is continuing to grow crops and plans to grow their own rice.
